You are invited to a holiday celebration "Mind Body Spirit Style!" Shop for fabulous, unusual gifts for those enlightened folks on your gift list. And just like last year, MBSN will donate the net profits to [Gift of Hope](#) and [Project Liberation](#) for every person attending and every item sold! We give . . . you get!! Let's drink some wine, network, shop for two terrific causes and sample the relaxing power of vibroacoustic therapy to balance the craziness of the holiday season in the lovely environment of Tournesol Wellness. A holiday celebration filled with healing and cheer!
